

information provided on this form may provide cause to require execution of a new SF 86 in order for an investigation to be scheduled. This is no different than if an SF 86 had been used in the first place to "update" information.

This request for comments is *not* meant to elicit comments on the questions as they appear on the SF 86. This certification device will ask for nothing more, or less, than is asked for on the current SF 86 which is approved for use through June 30, 2001.

The number of respondents annually who are not Federal employees is expected to be 75,000 with total reporting hours of 25,000.

Comments are particularly invited on:

- Whether this collection device has a practical utility;
- Whether our estimate of the public burden of this collection device is accurate and based on valid assumptions and methodology; and,
- Ways we can minimize the burden of collection of information on those who respond through the use of appropriate technological collection techniques or other forms of information technology.

OFFICE OF PERSONNEL MANAGEMENT

The Combined Federal Campaign

AGENCY: Office of Personnel Management.

ACTION: Notice of limitation on the recognition of national federations.

SUMMARY: Pursuant to the Combined Federal Campaign (CFC) regulations at 5 CFR 950.301(a) which states that "the Director may from time to time place a moratorium on the recognition of national federations", I hereby establish such action for a one year period,

beginning with the national application process for the year 2000 campaign.

This moratorium will provide an opportunity for the Office of Personnel Management to strengthen the monitoring and auditing process, as well as capability to ensure that national federations meet and operate in accordance with the public accountability standards of 5 CFR 950.203 and conform to the requirements of 5 CFR 950.301. This action does not prohibit any charity from applying to the CFC national listing as an unaffiliated organization, or from applying to the 20 existing federations, which currently represent 964 of the 1317 national charitable organizations. A list of the existing federations is attached.

EFFECTIVE DATE: Year 2000 Campaign.
